

## WATER AT WORK MINISTRY

# Mision de los 7

Project Completed: 2018

## PROJECT DESCRIPTION

“Mission of the Seven” began when a team built a church here with a vision to serve their community.

This project brought a water plant, generator, cistern, reusable bottles, delivery truck, and plant permits to this community to ensure sustainable, affordable access to safe, clean water.

Project Number: 005

### Water Production

50,000 gallons/month

### Location

Doña Ana

### Plant Manager

Pastor Santiago Infante &  
Pastora Marina Mateo

### Population Served

4,000

### Partnered Church

16 Members

## NOTES

Mision de los 7 was originally constructed in 2014 but was shut down by the local health department in 2016 for not meeting size requirements. This project was a full rebuild in 2018 and within a year had become our largest water producing plant to date!
