WATER AT WORK MINISTRY

Yaque del Sur

Project Completed: 2017

PROJECT DESCRIPTION

Jaquimeyes is home to three churches all committed to improving their community's health and youth programs.

This project brought a water plant, cistern, generator, reusable bottles, delivery truck, and plant permits to this community to ensure sustainable, affordable access to safe, clean water.

Project Number: 004

Water Production

21,000 gallons/month

Location

Jaquimeyes

Plant Manager

Pastora Alfreda Feliz

Population Served

2,000

Partnered Church

240 Members

NOTES

Plant Manager, Pastora Alfreda and her team are immensely devoted to problem solving and covering expenses as obstacles arise, going above and beyond to make sure this plant is operating at maximum capacity. In 2019, a new generator was installed to ensure a consistent power source for the water plant.
